Teamster retirees

Humana.

Coverage when you need it

Central States is pleased to make available a family of Medicare Advantage health plans from Humana, created for retirees. TeamCareGold provides health benefits at a time when you need them most.

TeamCareGold plans provide more medical and prescription benefits than offered by Original Medicare. TeamCareGold plans are priced below or at the market value compared to similar Humana plans in your area.

Medical, Rx and more

TeamCareGold is more than medical and prescription drug coverage; TeamCareGold includes extra benefits and services for your health and well-being.

The TeamCareGold plans combine Medicare Part A (hospital), Part B (physician and other medical services) and Part D (prescription drug) all into one package of benefits.

Once you are enrolled in TeamCareGold, your provider will submit all of your healthcare claims, including drug claims, to Humana. With TeamCareGold, there is virtually no paperwork for you to file and you only work with one health insurance company.

A choice of plans

Depending on where you live, TeamCareGold offers several plans competitively priced for your area. Your Humana representative can help you decide which TeamCareGold plan is best for you.

Extra benefits and services

TeamCareGold plans do more than just provide medical and prescription drug coverage.

TeamCareGold plans offer several extra benefits and services for your health and well-being, including:

- A fitness membership with access to more than 13,000 locations nationwide, with use of all basic amenities plus SilverSneakers® group fitness classes.
